Kubernetes

Certifications

AWS Cloud Practitioner

Ritesh Bhaskar

Associate DevOps Engineer | Kubernetes | Docker | Jenkins (CI/CD)
| AWS | Azure
India

Summary

I'm a passionate DevOps Engineer with 6 month internship experience in automating infrastructure, streamlining deployments, and ensuring application reliability at scale.

Key Skills & Experience:

- Docker: Writing optimized Dockerfiles, building images, pushing to Docker Hub, and managing containers efficiently.
- Kubernetes: Deploying applications using zero-downtime strategies like Blue-Green Deployment, managing pods, services, and ensuring high availability.
- Monitoring & Logging: Using Prometheus and Grafana for real-time monitoring, and EFK Stack (Elasticsearch, Fluentd, Kibana) for log management and analysis.
- CI/CD Pipelines: Building pipelines using Jenkins with both declarative and scripted (Groovy) formats, integrating with tools for automated testing and deployment.
- Build Tools: Managing project builds using Maven, with integration into CI/CD processes.
- Infrastructure Automation: Provisioning infrastructure using Terraform, and automating configuration management with Ansible.
- Cloud Services: Deploying and managing services on AWS, including EC2, S3, IAM, and more.
- Quality & Artifacts: Integrating SonarQube for code quality and static analysis, and Nexus for artifact storage and management.

Experience

CoStrategix

Associate DevOps Engineer
October 2025 - Present (11 months)
Bengaluru

F13 Technologies
DevOps Intern
December 2024 - May 2025 (6 months)

Education

Dr. Vishwanath Karad MIT WORLD PEACE UNIVERSITY|PUNE
Master's degree, Computer Science · (July 2023 - June 2025)

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad
Bachelor's degree, Computer Science · (June 2020 - May 2023)
